Dear Mentor,

The student who is contacting you needs your help to receive a simple, non-accredited, Certificate of Study from Redeeming Grace Online Bible Institute. The objective is to encourage individuals to study the Bible. To that end you are being given a package containing the *Answers* to the various projects the student will need to comply with.

You are asked to review the answers of the student covering a text book he has been given to read completely along with sections on personal application and reflection. You will also want to make sure the student has memorized the appropriate *Scriptures* where applicable.

Once you are satisfied the student is familiar with the material in the text book and has completed the information, you are asked to send me a letter or email to that effect.

Thank you for your willingness to help someone grow in grace and knowledge of our Lord and Savior.

If you have any questions please feel free to contact me personally.

Because I Care,

Dr. Stanford E. Murrell
