Dear Student,

You will need to find a pastor or some other trusted spiritual leader to be your Mentor. Please ask the Mentor to take the material I have enclosed and use it to review your answers about the textbook along with the sections on personal application and reflection.

The Mentor should also make sure you have memorized the suggested verses of the *Bible* where applicable.

Once your Mentor sees that you have completed the course material and writes me to that effect, I will send you a nice, non-accredited, Certificate of Study suitable for framing.

Thank you for your interest in *Bible* study.

May the Lord bless you in your journey in grace.

Because I Care,

Dr. Stanford E. Murrell
