

## Doctrine of Parasite Preachers

1. There are what I call Parasite Preachers.
2. These are {usually} young men who go into an established work (the "host") and feed off of it in order to gain their own following – in the NAME of gaining experience or just out of desperation to finally get a "job" in ministry.
3. The problem is lack of honesty.
4. They REALLY want to BE the main pastor of the congregation or of their own work but will not work to be called to a church in their own right so they divide the existing congregation by gaining a following and then by acting as the VICTIM!
5. It takes a long time for the hearts of people to be exposed and for their secret and sublet maneuvering to be discovered for they appear often to be so "sweet" and so "spiritual" and they are so "young" and then they usually have an "adorable" family etc etc.
6. I tell you there are Parasite Preachers and they are one of the Evil One's most effective tools in disrupting the body of Christ.
7. One main characteristic of a Parasite Preacher is lack of love for the sheep. This lack of love can be identified by a person wanting to be hired only for the money and then running away in time of spiritual pressure.
  - *John 10:12 But he that is an hireling, and not the shepherd, whose own the sheep are not, seeth the wolf coming, and leaveth the sheep, and fleeth: and the wolf catcheth them, and scattereth the sheep. 13 The hireling fleeth, because he is an hireling, and careth not for the sheep.*
